Team 3: College Crusaders

- Vision Statement: Our goal is to enhance student awareness and help guide individuals toward careers in which there is a great demand within the community
- Product: An app to help college students understand how their degree will affect their future. It will show how much job demand there is for different majors and how much competition exists in the field.
- Backend Group: Dale Peffer, Toshal Ghimire, Joey Pucciarelli, Taylor Jesse
- Frontend Group: Jim Jenkins, Nolawee Mengist, Taylor Jesse
